About Zeta

Zeta is a modern banking tech company providing an Omni Stack comprising modern credit and debit processing, BNPL, core banking and mobile experiences. Zeta provides its products to banks and fintechs globally. Zeta's offerings comprise -

Zeta Tachyon Suite - A modern suite comprising core banking, credit and debit processing, prepaid hosting and loans, all integrated with a mobile app that enable banks to provide a neobank experience, sell more loans and reduce fraud.

Zeta Fusion - An Embeddable Banking platform that enables banks to provide APIs and SDKs to fintechs, neobanks, distributors and enable them to embed prepaid, credit, debit and loan products within their apps and experiences.

Co-founded in April 2015 by Bhavin Turakhia (CEO) and Ramki Gaddipati (CTO), the company currently has over 750 employees across its offices in the US, UK, Middle East, and Asia. Zeta showcased its Omni Stack platform last December at Finovate West Digital 2020 and won Best of Show. Business Today recognised Zeta with the Business Today-KPMG Best Fintech in Value Added Services Award in 2021.
